Do you have a headache?	□ No □ Yes	□ No □ Yes		
Even if you don't currently have any of the above symptoms, have you experienced any of these symptoms in the last 14 days?	□ No □ Yes	□ No □ Yes	If "yes" and patient does not need emergency care, do not see patient unless it has been more than 7 days since symptoms first appeared and 3 days of no fever without use of fever-reducing medication.	

Screening questions	Date: / / Staffinitial:	Date: / / _Staff initial:	Notes
Have you been in contact with someone who has tested positive for COVID-19 in the last 14 days?	□ No □ Yes	□ No □ Yes	If yes, ask for date of last contact with COVID-positive patient and set appointment time for more than 14 days later, unless the patient needs emergency care.
Have you been tested for COVID-19 in the last 14 days? If "no," proceed to next question.	□ No □ Yes	□ No □ Yes	
If yes, what is the result of the testing? If negative, proceed to next question. If still waiting on results, schedule appointment after results are known.	☐ No ☐ Unsure ☐ Positive	□ No □ Unsure □ Positive	If positive, determine if patient needs emergency care. If not an emergency, schedule patient to be seen when it has been more than 7 days since symptoms first appeared and 3 days of no fever without use of fever-reducing medication.
Have you traveled more than 100 miles from your home in the last 14 days?	□ No □ Yes	□ No □ Yes	If yes, determine if patient traveled to an area where COVID-19 cases are high. Determine if patient followed physical distancing precautions and wore a mask while in public. Use professional judgement when determining whether to proceed with the appointment.

Patient signature required at appointment:

I agree to notify the dental practice if within 14 days I become ill with COVID-19 symptoms or test positive for COVID-19. I understand the dental practice has a legal and ethical obligation to inform me if a staff person I had contact with tested positive for COVID-19 within 14 days.
